2018-2019 Parent Engagement Survey

Whitfield County Schools is working to strengthen partnerships between schools and families. The purpose of this survey is to get your opinion on how well our schools have met your family and children's needs and how you feel about your involvement in your child's school.

The survey links below will be available until **Friday, September 28, 2018**.

Our Parent Engagement Survey results will:

- promote shared decision making by asking for family input;
- assess family needs, wants, and program satisfaction to guide program quality improvements;
- learn about family expectations for their child's learning.
