Title 1 Family Event: Young Authors' Literacy Night by the Creative Discovery Museum

Westside families are invited to attend our Creative Discovery Family Literacy Night **March 28, 6:00-7:30**. Playing with language makes for good family fun! These activities allow families to focus on reading, writing and other language skills. With the help of caring adults, children will investigate becoming an author. Activities include fun discussions, storytelling, and even making a stop motion film. There will be a drawing for a one year family membership to the Museum.

National School Breakfast Week

During the week of **March 4-8** we will offer a new item at breakfast each day. On the 7th we will be doing Brunch for Lunch.

Pick Up Line Procedures

To improve the safety and security of our campus, vehicles will not be allowed to line up in the car rider line until **1:45** each afternoon. This is a Whitfield County School policy, currently in place at all schools. Thank you for supporting this new policy and the safety of our students.

Safety First

All visitors must use the Aiphone to enter our building after 7:45a. Visitors will have to press the button, then the camera will show office staff who wants to enter. The staff will then **ask for identification**, determine the nature of the visit, and check the visitor's name on the student's information sheet before allowing or denying entry. **PLEASE DO NOT HOLD THE DOOR FOR OTHER VISITORS WHO HAVE NOT GONE THROUGH THE CLEARANCE PROCESS.**

Box Tops for Education

Just a reminder to send in Box Tops for our school! Please have your child's name and teacher's name on the bag and place it in our collection box in the hallway across from the office
